

Thanks to you . . .

This is What We are Accomplishing

The United Methodist Home for Children provides a refuge for children from troubled Homes and for children who have lost direction in their lives. The West Shore Sertoma Club (WSSC), is a community service organization, that has identified the Children's Home as their primary charity. Over the years, the WSSC has provided funding for the purchase of computer equipment, Christmas gifts, as well as financial support for the Equine Therapy and Independent Living Programs.

The Sertoma International organization has identified speech and hearing disorders as its primary charitable cause. In keeping with this focus, the WSSC has provided camp scholarships for hearing impaired youth and participated in baseball camps and basketball clinics for deaf children and adolescents. Many of our club members are trained as hearing screeners and have volunteered countless hours with the Hear Say Sertoma Club's hearing van, testing individuals for hearing loss.

Additional charities our club supports include the Allison Hill Social Ministry, New Hope Ministries and Special Olympics. The funds we raise through our golf tournament are used to support all of these projects noted above.

Sertoma Mission Statement

Sertoma exists for the high and noble purpose of **SERVICE TO MANKIND** by communication of ideas and concepts to accelerate human progress in health, education, freedom and democracy.
